PETITION TO REVIVE UNINTENTIONALLY ABANDONED APPLICATION
UNDER 35 USC 122(b)(2)(B)(iii) and 37 CFR 1.137(f)

Dear Sir:

Applicant hereby petitions to revive the unintentionally abandoned above-referenced application. The application became abandoned for failure to notify the U.S. Patent and Trademark Office pursuant to 35 USC 122(b)(2)(B)(iii) that foreign applications were filed claiming priority to the present application. Applicant hereby provides notice that corresponding applications were filed in Canada on October 15, 2004 and in China on October 20, 2004.

The undersigned attorney, who is registered to practice before the U.S. Patent and Trademark Office, respectfully verifies that the entire delay in submitting the present petition was completely inadvertent and unintentional and in no

way was meant to gain an unfair advantage. The failure to timely file a Rescission of Previous Nonpublication Request and, if Applicable, Notice of Foreign Filing was discovered during a routine audit of client files. A newly-prepared Rescission of Previous Nonpublication Request and, if Applicable, Notice of Foreign Filing is also enclosed herewith. It is respectfully requested that the present petition be granted and that the application be revived.

Enclosed herewith is our check in the amount of \$750.00 (small entity) for payment of the petition fee required by 37 CFR 1.17(m). Please charge any additional fees required to deposit account 50-1196.

Respectfully submitted,

NELSON MULLINS RILEY & SCARBOROUGH
